

Minnesota 2020 Suspends Most Operations

The Board of Directors of Minnesota 2020 has made the difficult decision to suspend most operations due to funding constraints.

The Board is proud of the work of MN 2020, which for 7 1/2 years has provided accurate, reliable and thought-provoking information and commentary on issues important to progressives.

MN 2020 is grateful for the support of the many great people and organizations that have made MN 2020 possible, including the many past and present staff members and the hundreds of volunteers that have contributed to its work.
